

ONE FLEW SOUTH RESTAURANT & SUSHI BAR

LIVE / Food

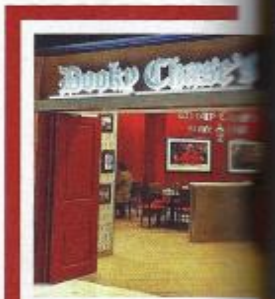

RESTAURANT:
ONE FLEW SOUTH

AIRPORT:
Atlanta's Hartsfield-Jackson International, Terminal E

An oasis in the midst of fast-food junk, Chef Duane Nutter's global flavors infused in Southern cuisine make flying through the world's busiest airport a treat. One Flew South serves clever cocktails by mixologist Tiffanie Barriere and an exceptional to-go menu for travelers with little time to spare. For those with a layover, sit down to enjoy the sushi bar or relax in the sophisticated dining room for a meal worthy of an expense-account splurge.

MILE-HIGH MEAL:
It's a tie! We suggest the pork belly with black-eyed pea and arugula salad, parsnip puree and black-berry-onion marmalade or the pulled duck sandwich with duck confit, fig and toasted peanut relish, scallions and slaw.

RESTAURANT:
DOOKY CHASE'S
AIRPORT:
**LOUIS ARMSTRONG
NEW ORLEANS
INTERNATIONAL,

Travelers going to their gates will be greeted by the scent of Jambalaya and Redfish Orleans.
